

Stonycreek Township

Welcome to the Stonycreek Township pages!

This township page is part of the [Somerset County, Pennsylvania](#) portion of the [PAGenWeb Township Page Link](#)

Stonycreek Township was incorporated in 1792. The township was first settled in 1762 and was formed from the Quemahoning Township. Stony Creek is one of the six original townships in Somerset County. All old records seem to spell it Stony Creek, but it is now spelled Stonycreek.

Stonycreek Township is located in the mid-section of the county. It is bounded to the north by Shade Township; to the west by Somerset Township; to the south by Brothersvalley Township; and to the east by Allegheny Township.

The main Borough of Stonycreek Township is Shanksville which was first settled in 1829 and was incorporated in 25 Jan 1913.
