BEAVER COUNTY, PENNSYLVANIA CEMETERY RECORDS VOLUME II

This is the second of two volumes to be published from
the collection located in the Carnegie Free Library, Beaver
Falls, Pa.

edited by
Bob and Mary Closson

Possibly some of the records available in 1936 have
expired, but the line that record
is printed on this may be the only recorded information that
will be available.

These two volumes include all areas of Beaver County,
that are available except the South Side area which is being
researched and updated by another individual at this time.

We'd like to express our appreciation and thanks to Walter
McLaughlin for his time and efforts in helping this project
possible. We're sure that it will help you in your
genealogical efforts in this county.
