Bob and Mary Glosson

This is the fourth in a series of cemetery records for Beaver County. Volumes I and II were compiled and published under the direction of Vivian C. McLaughlin, director of the Resource and Research Center for Beaver County and local history. The information included records in- ventoried by the H.P.A. (Hortus Progress Administration) in 1936. Some additional inclusions were made by individuals who had recorded the tombstones for their own use or for genealogical progression. Volume 3 was a furtherance of this endeavor and contains tombstone records recorded by David and Elsie Hays of Beaver County. This volume is a result of more records located by Vivian McLaughlin.

THANKS to these people for their efforts in making more records available to more people. It's our sincere hope that these pages might contain information you are seeking.
