#### ELLEN LOUISE MOORHEAD

Ellen Louise, daughter of Albert Donald and Emma Jane Butler Moorhead, was born January 8, 1925 in Pittsburgh, Pa. After receiving her elementary education in Indiana she attended the University of Pittsburgh, where she received her B. S. degree in 1946. She accepted a position as graduate student assistant in Bacteriology, which enabled her to get M. S. degree in 1948. She then accepted a position as lecturer, then instructor in Bacteriology at University of Pittsburgh. In February 1952, she accepted her present position as assistant Virologist for the City of Pittsburgh. Her duty is to take care of all rabies examinations and diagnostic serum examination procedure, whereby any M. D. in the city can determine infection by any of the more important viruses. She is also working on determining a diagnostic
